Fidha, derived from the Arabic word for **sacrifice**, represents our unwavering commitment to building a generation grounded in Islamic knowledge, academic excellence, and social responsibility.

At **Fidha Group of Education**, we aim to create a holistic learning ecosystem that combines Qur'anic memorization, Islamic scholarship and mainstream academic education designed to prepare balanced individuals for both Deen and Dunya.

إِنَّمَا يَخْشَى اللَّهَ مِنْ عِبَادِهِ الْعُلَمَاءُ

Indeed, those who fear Allah among His servants are the scholars. (Surah Fatir, 35:28)

Our institution operates under the dedicated guidance of **Afzal-ul Ulama Moulavi S. Abubakkar Fazil Bilali (B.Com, M.A., M.B.A.)**, a seasoned Islamic scholar and educator with over a decade of impactful service in the field of Islamic and Qur'anic education.

- Former Principal, Athayi Girls Hifz School, Chennai (2020–2025)
- Former HOD, Aalim Foundation Course, Bilalia Arabic College, Chennai (2014–2020)

- Has successfully mentored and guided over 650+ Aalims and 80+ Hafizas by the mercy of Allah.
- Renowned for structured curriculum development, educational leadership, and student transformation.
- Actively involved in mentoring young Ulamas, Hafizas, and Islamic educators for future leadership.

FIDHA'S CORE PILLARS

❖ WE BEGIN WITH WORSHIP

Salah First – Prayer is not just an obligation; it is our anchor. It sets the rhythm of our day and the tone of our learning. At Fidha, we place spiritual grounding at the heart of all pursuits.

❖ WE LIVE THE SUNNAH

Shari'ah & Sunnah – Inspired by the life of the Prophet ﷺ we nurture students to embody his humility, courage, compassion and balance following the Shari'ah with love, not just law.

❖ **WE STAND WITH THE AHLUS SUNNAH WAL JAMA'AH**

Madhab & Aqeedah – Our teachings are firmly rooted in classical Sunni tradition, guided by the wisdom of past scholars and the respectful diversity of the four madhabs.

❖ **WE SERVE WITH SACRIFICE**

Khidmah to Ummah – Knowledge must lead to service. Our aim is to raise minds that lead with sincerity and hearts that give with sacrifice for their family, community and Ummah.
